

Welcome to CATS

There is no substitute for a personal visit, so we hope that you can come and meet us. Here are all the directions you need to help make the journey simple.

The College is situated in the centre of Cambridge next to the Round Church and the Union Society in Round Church Street. There is a multi-storey car park nearby in Park Street, but traffic can be congested in the city centre and delays are possible.

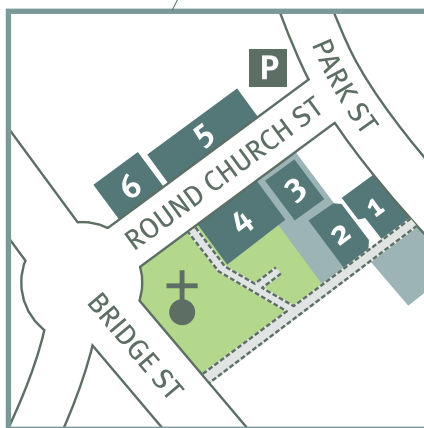

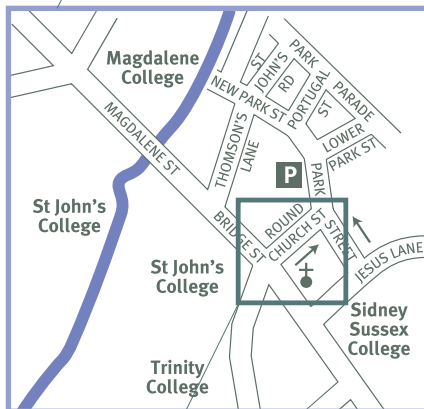

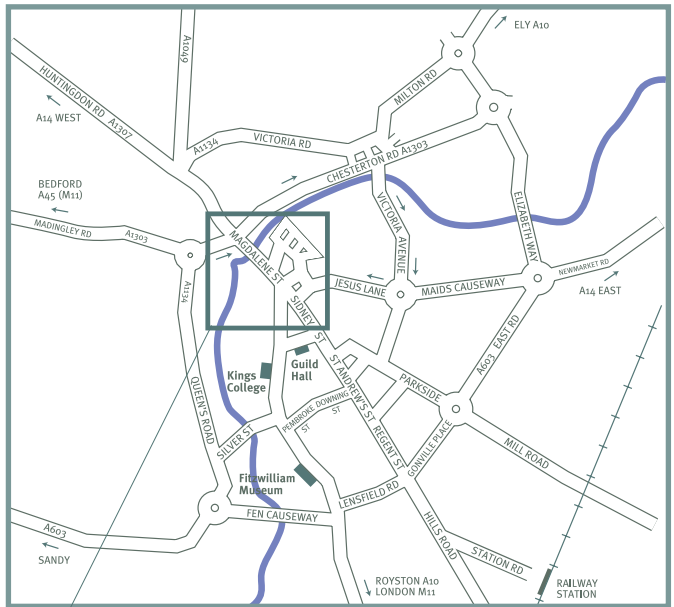

Travellers from London should exit the **M11** at **junction 13** and turn **right** into **Madingley Road**. Continue along Madingley Road until the mini-roundabout and then **turn left** into **Northampton Street**.

At the traffic lights, go **straight across** to **Chesterton Road** (access is denied from Bridge Street on the right) and continue for about half a mile. Approach the next junction in the **right-hand lane** and follow the one-way system, **keeping to the right**, around the large traffic island marked by **Staples store**.

Take the **final exit** into **Victoria Avenue** and then at the next roundabout take the **last exit** into **Jesus Lane**. After **two sets** of traffic lights, **turn right** into **Park Street** for the multi-storey car park.
